

Client Services

Legal Services that meet your needs and exceed your expectations

Parfitt Cresswell is a modern law firm with an outstanding track record of client care and legal success.

Founded in 1908 Parfitt Cresswell has evolved into a dynamic and progressive company with a reputation for delivering the right advice efficiently and cost-effectively. Our experienced lawyers deliver a wide range of legal services to both private individuals and the business community. The key to our success is a personal service tailored to meet your needs.

Our legal advice is expert, our service is excellent and our fees are competitive.

Business & Commercial

Parfitt Cresswell's Commercial Team acts for private companies and other businesses across a wide spectrum of industry sectors providing each with the necessary and appropriate expert advice.

Company & Business Services

Parfitt Cresswell has the expertise to handle all forms of business agreements including shareholder, partnership, joint venture and general commercial agreements. We regularly act for clients involved in mergers, acquisitions and disposals and we advise on sales and purchases of companies, businesses and business shares.

We are also able to offer a complete company secretarial service dealing with all document filing and registration in accordance with the requirements of the Companies Acts and the Registrar of Companies.

Parfitt Cresswell is a member of the Law Society's Enterprise Scheme.

Taxation

Parfitt Cresswell fully understands the need for effective tax planning and the desire of all our clients to keep their tax liabilities to a minimum wherever possible. Our expertise in all major personal and business tax legislation (Income Tax, Inheritance Tax, Capital Gains Tax, Corporation Tax and Value Added Tax) enables us to assist individuals and businesses to the benefit of both our clients and their family members.

Business & Management Consultancy

Parfitt Cresswell's in-house business and management consultancy department is well equipped to offer all our clients the benefits of expert business planning and management services. Designed specifically to improve the performance and profitability of your business our management consultancy team has many years of experience in advising small and medium sized businesses in a wide range of markets and are committed to adding value to your business.

Commercial Property

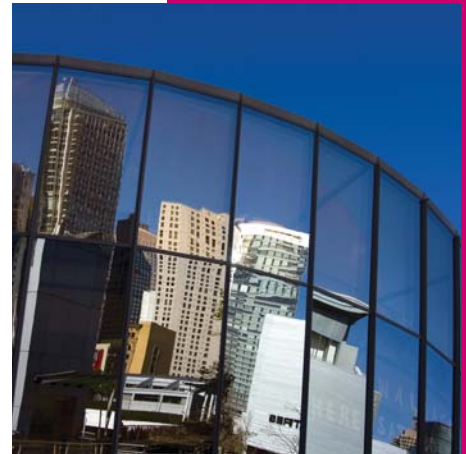

Parfitt Cresswell provides a comprehensive commercial property service for owners, investors, developers, purchasers and tenants. Our experienced team deals with all types of commercial property and commercial property transactions including large and small scale site acquisitions and developments, freehold sales and purchases and business leases.

Dispute Resolution & Litigation

At Parfitt Cresswell we understand the importance of resolving disputes quickly and cost effectively. Court proceedings can be both expensive and time consuming so where we see negotiation or Alternative Dispute Resolution (ADR) as being in your best interests, this is what we recommend.

We advise on a variety of business and commercial disputes from disagreements over buildings and property to corporate and partnership arguments and disputes with customers. Where required, we will act for you to recover small bulk debts, resolve insurance and fiduciary duty claims, manage insolvency and bankruptcy proceedings and advise on all aspects of professional negligence, warranty claims and breach of contract.

Employment Advice

Parfitt Cresswell offers specialist business and employment advice to both employers and employees.

Legal advice services include advice on redundancy and dismissal, working practices (restrictive covenants, trade unions and minimum wage), disciplinary action and grievance procedures and anti-discrimination policies, contracts of employment and service agreements, compromise agreements, data protection and whistle blowing.

Family & Individual Clients
